

User Agreement

1. Subject to your complete and ongoing compliance with these Terms. We reserve all rights not expressly granted to you by these Terms. Except and solely to the extent such a restriction is impermissible under applicable law, you may not, without our written agreement:

- license, sell, transfer, assign, distribute, host, or otherwise commercially exploit the Services or Content;
- modify, prepare derivative works of, disassemble, decompile, or reverse engineer any part of the Services or Content; or
- access the Services or Content in order to build a similar or competitive website, product, or service, except as permitted under any Additional Terms (as defined below).

We are always improving our Services. This means we may add or remove features, products, or functionalities; we will try to notify you beforehand, but that won't always be possible. We reserve the right to modify, suspend, or discontinue the Services (in whole or in part) at any time, with or without notice to you. Any future release, update, or other addition to functionality of the Services will be subject to these Terms, which may be updated from time to time. You agree that we will not be liable to you or to any third party for any modification, suspension, or discontinuation of the Services or any part thereof.

We personalize your experience on the Services based on a variety of factors, including your activity on the Services, communities you are subscribed to, and preferences you've identified in your settings. Based on these and other factors, we may make recommendations to make your experience on our Services more relevant.

2. Your Content

The Services may contain information, text, links, graphics, photos, videos, audio, streams, software, tools, or other materials (“Content”), including Content created with or submitted to the Services by you or through your Account (“Your Content”). We take no responsibility for and we do not expressly or implicitly endorse, support, or guarantee the completeness, truthfulness, accuracy, or reliability of any of Your Content.

By submitting Your Content to the Services, you represent and warrant that you have all rights, power, and authority necessary to grant the rights to Your Content contained within these Terms. Because you alone are responsible for Your Content, you may expose yourself to liability if you post or share Content without all necessary rights.

3. Third-Party Content, Advertisements, and Promotions

The Services may contain links to third-party websites, products, or services, which may be posted by advertisers, our affiliates, our partners, or other users (“Third-Party Content”). Third-Party Content is not under our control, and we are not responsible for any third party’s websites, products, or services. Your use of Third-Party Content is at your own risk and you should make any investigation you feel necessary before proceeding with any transaction in connection with such Third-Party Content.

4. Things You Cannot Do

When using or accessing the Services, you may not do any of the following:

- Use the Services in any manner that could interfere with, disable, disrupt, overburden, or otherwise impair the Services;
- Gain access to (or attempt to gain access to) another user's Account or any non-public portions of the Services, including the computer systems or networks connected to or used together with the Services;
- Upload, transmit, or distribute to or through the Services any viruses, worms, malicious code, or other software intended to interfere with the Services, including its security-related features;
- Use the Services to violate applicable law or infringe any person's or entity's intellectual property rights or any other proprietary rights;
- Access, search, or collect data from the Services by any means (automated or otherwise) except as permitted in these Terms or in a separate agreement with Reddit (we conditionally grant permission to crawl the Services in accordance with the parameters set forth in our robots.txt file, but scraping the Services without Reddit's prior written consent is prohibited); or
- Use the Services in any manner that we reasonably believe to be an abuse of or fraud on Reddit or any payment system.

We also support the responsible reporting of security vulnerabilities. To report a security issue, please email office@bonafide-league.ro
